

Classroom Select® Vigor

ASSEMBLY INSTRUCTIONS

Thank you for purchasing Classroom Select® Vigor from School Specialty®. Please review the enclosed packing list to ensure all components are included and read the instructions carefully before you begin assembly. If you find anything missing or have any questions now or after setup, please contact Customer Care at 888.388.3224 or customer care.schoolspecialty.com/contact-us-email

PART AND TOOLS LIST

Top with Frame
Quantity: 1

Leg Upper
Quantity: 4

Leg Insert
Quantity: 4

Phillips Rounded Head Screw
Quantity: 16

Screw for Leg Insert
Quantity: 8

STEP 1

First, place the top upside down on a stable, non-abrasive soft surface to avoid any scratching. To install the leg uppers onto the frame, align each leg with the designated mounting points on the table's underside. Secure the legs using the provided screws, as indicated in the detailed view. Ensure each leg upper is firmly attached and properly aligned to maintain stability. Tighten all screws evenly to prevent wobbling or misalignment. Double-check that all connections are secure before proceeding to the next step.

STEP 2

In this step of the installation, the leg inserts are inserted into the installed leg uppers attached to the base. Begin by aligning the leg insert (labeled as 1) with the open end of the corresponding leg upper, ensuring that the adjustment holes are properly aligned for height customization. Carefully slide the leg insert down into the support pole, making sure it fits securely. Next, as shown in the detailed view (labeled as 2), insert and fasten the locking screws to secure the leg insert in place, leaving it $\frac{1}{4}$ turn unscrewed. Once all 4 leg inserts are properly inserted and secured, verify their alignment and stability by turning the table right side up and making sure everything is aligned. Then $\frac{1}{4}$ turn the screws so they are tight.

DISCLAIMERS

Please review the enclosed packing list to ensure all components are included. Please read the instructions carefully before you begin assembly. If you find anything missing or have any questions now or after set-up, please contact Customer Care at 888.388.3224 or customercare.schoolspecialty.com/contact-us-email.

Heavy or large furniture may require two or more people for proper assembly. Improper assembly may void the warranty. Ensure all hardware is correctly installed and screws are fully tightened before use. Recheck and tighten screws at least once per year. Failure to assemble or secure parts properly may result in product failure or personal injury.

The products illustrated/photographed in this assembly instruction may vary slightly from the actual product.
