STEP 1

Align casters with holes on the bottom plate and secure using sixteen M6 x 20mm screws. Place locking casters on front side of plate.

STEP 2

Position body on bottom plate and line up the holes. Secure bottom plate to body using four M8 x 50mm screws.

STEP 3

Add shelf to body between top and bottom panels and secure to the body on the back side using two M6 x 12mm screws.

STEP 4

Take both back panels (top and bottom) and secure onto the body by inserting the panel studs onto the inside body brackets. Place grommet in bottom back panel.

DISCLAIMERS

Please review the enclosed packing list to ensure all components are included. Please read the instructions carefully before you begin assembly. If you find anything missing or have any questions now or after set-up, please contact Customer Care at 888.388.3224 or customer care.schoolspecialty.com/contact-us-email.

Heavy or large furniture may require two or more people for proper assembly. Improper assembly may void the warranty. Ensure all hardware is correctly installed and screws are fully tightened before use. Recheck and tighten screws at least once per year. Failure to assemble or secure parts properly may result in product failure or personal injury.

The products illustrated/photographed in this assembly instruction may vary slightly from the actual product.
