or contact your School Specialty Sales Representative.

Place an order through the SSL website or your online ordering portal, and 1% of the purchase value comes back to your district.*

Start earning your rebate after \$15,000 of online supplies and furniture purchases. Continue to earn on all subsequent orders.

District rebates are calculated from January 1st through December 31st and are paid to the purchasing district the following year.

After your first year earning a rebate, this program transitions to a GROWTH rebate. You must exceed your online sales year-over-year by 12/31 to be eligible for a rebate the following year. Contact your local School Specialty representative for more information.

*The rebate's calculated on the net invoice amount of product only, less shipping and other charges.
