

Snoezelen® Color Command Center™

Rewarding and responsive; empowering and engaging. Navigate through a spectrum of colors, patterns and levels of brightness on the large Color Command Center.™

FEATURES & BENEFITS

- Offers several different effects such as solid colors, color fading in and out, and lights looping around the display
- Multiple illuminated push buttons at the base and within the display
 - Use the panel buttons to select a base color; then press the onscreen buttons to adjust the hues and brightness of that color
- Two modes - Interactive and Relax
- Rounded edges for safety
- Designed to be hung on the wall or used on the Double Panel Porter (Item # 2141079)
- Can hang vertically or horizontally
- Sockets for your own switches (Adaptive switches require a ½ jack, sold separately)
- Requires 110V power receptacle
- Sensory Magic® compatible
