

# Model **2810-TIG** | Listening First™ Tiger Stereo Headphone

Control No. 2103818

## Introduction

Animal faces capture the attention of young listeners! The Listening First™ Stereo Headphone offers clear audio that is critical for beginning students in phonetic awareness, comprehension, and fluency in vocabulary. This headphone has on-ear, noise reducing ear cups that filter out external distractions, allowing student to focus on the task at hand. Lightweight and made of durable ABS plastic, perfect for high usage.

## Includes CaliTuff® Cord

**CaliTuff®**

Highly durable CaliTuff® Cord is made of braided, PVC-jacketed material that resists chewing and cutting. The CaliTuff® design includes a reinforced earcup entry point that resists stress separation and a tethered hook and loop strap that provides cable management for easy storage.

## Features

1. Fully adjustable and extremely flexible headband, designed for young students
2. Replaceable, foam-filled, leatherette ear cushions
3. Slotted baffles prevent speaker access, reducing accidental damage
4. On-ear, noise-reducing ear cups
5. Reinforced, permanently attached cord
6. 6' CaliTuff® cord
7. In-Line volume control
