All products are priced FOB to all member agencies within the continental US (free freight). Shipments to Alaska, Hawaii and Territories and Outlying areas are prepaid to the port of exportation. Additional freight from US port to final destination will be applied at actual charges on a separate line.

Delivered pricing includes dock/tailgate/liftgate delivery during normal business hours (8:00 am - 4:00 pm, Monday-Friday). Free inside delivery and liftgate service are not applicable to full truckloads.

Installation costs, if necessary, will be quoted on a job-by-job basis with a minimum charge of \$30.00 per hour, not to exceed \$65.00 per hour including orders that may have prevailing wage requirements. In circumstances where there are installation delays outside of standard installation timelines, there can be additional billing of warehousing/storage fees at current market rate.

Discounts will remain firm for the term of a contract. In addition, School Specialty reserves the right to provide deeper discounts than those listed above based on the size and scope of the opportunity.

*Furniture Reuse Solutions (FRS) offers a cost-effective, sustainable solution for end users' furniture & Equipment disposal needs versus sending to landfills. Their objective is to send used furniture to under-served communities or non-profit organizations to be utilized again if possible. Disposal and inventory costs depend on the options available for repurposing your surplus inventory. For more information on FRS, please visit their website at www.furniture-rs.com.
