

Snoezelen® Waterless Rainbow Tube

Perfect for customers who love bubble tubes but need a water-free alternative! The column radiates a rainbow of colorful light effects.

FEATURES & BENEFITS

- Visual, vibrating and with a gentle sound and opaque tube
- Multiple light effects
- Three sound responsive functions
- Speed is adjustable
- Easy to clean, maintain, operate and assemble
- Made of solid, durable acrylic
- Creates a humming sound to replicate the effect of water bubble tubes
- Good for institutions that have a concern with maintenance or water bacteria; this option is very low maintenance
- Good for warmer climates where water-based bubble tubes may have evaporation
