STEP 1

To assemble the tote rail mount kit, start by placing the tote rails on a flat surface centering the rail to the underside of the desk/table. Attach the rail to the underside of the desk/table using the provided screws, and screwing down the circled holes shown below (front and back of rail). Once complete, add tote tray to make sure everything is secured.

DISCLAIMERS

Please review the enclosed packing list to ensure all components are included. Please read the instructions carefully before you begin assembly. If you find anything missing or have any questions now or after set-up, please contact Customer Care at 888.388.3224 or customer care.schoolspecialty.com/contact-us-email.

Heavy or large furniture may require two or more people for proper assembly. Improper assembly may void the warranty. Ensure all hardware is correctly installed and screws are fully tightened before use. Recheck and tighten screws at least once per year. Failure to assemble or secure parts properly may result in product failure or personal injury.

The products illustrated/photographed in this assembly instruction may vary slightly from the actual product.
