

Model **3068MUSB** | Stereo Headset with Gooseneck Microphone

Control No. 2103827

Introduction

Considered the benchmark headset by schools and districts for language learning, library uses and computer lab, the 3068MUSB now has our toughest cord...CaliTuff®! The noise-reducing microphone captures a student's verbal response, not their neighbors.

Features

1. Comfortable padded headband for extended wear
2. Fully adjustable to fit most sizes
3. Replaceable, foam-filled ear cushion
4. Rugged polypropylene plastic earcups resist breakage in high-use situations
5. Slotted baffles protect speakers from damage
6. Permanently attached cord with reinforced "strain" connection that resists accidental pull out
7. Unidirectional, noise-reducing microphone
8. Gooseneck arm swings up when not in use
9. Inline volume control
10. 6' CaliTuff® cord
11. USB plug

Warranty

Califone's 3 year warranty covers school and business uses.

Includes CaliTuff® Cord

CaliTuff

Highly durable CaliTuff® Cord is made of braided, PVC-jacketed material that resists chewing and cutting. The CaliTuff® design includes a reinforced earcup entry point that resists stress separation and a tethered hook and loop strap that provides cable management for easy storage.
