

The most important
sense to develop is
wonder.

At School Specialty[®], we believe a child's real world can be as amazing as their imaginary ones.

We're committed to making a wide range of high quality products educators need to create engaging early childhood learning environments—from infant to kindergarten, from classrooms to makerspaces to outdoor learning, from seating to storage and more.

Take a look at our innovative solutions. Consult with our experts. And together, we can help our littlest learners discover the world and make it their own.

The best choice for early childhood starts with C

..... The 5Cs of **CHILDCRAFT®**

When you see the Childcraft name on a product, it's more than just a brand. It's a promise—our commitment to you that everything we make meets our highest standards and a rigorous set of criteria we call the 5Cs.

Celebrating 75+ years of quality & craftsmanship

At Childcraft® we're proud to have been a trusted partner to the early learning education community for more than 75 years. We look forward to the years to come and all we can do together to give today's early learners an exciting today and a successful tomorrow.

1946. Childcraft Equipment Company founded in New York City.

1985. Bird-In-Hand Woodworks begins to manufacture Childcraft using Amish craftsmanship.

1988. The Walt Disney Company acquires Childcraft.

1996. Become a trusted supplier to the international schools and DOD market.

1997. School Specialty® acquires Childcraft from The Walt Disney Company.

2001. Proprietary literacy materials introduced.

2002. abc School Supply acquired. Bird-In-Hand begins manufacturing Korner's for Kids®.

2002. John Archambault (author of Chick a Chick a Boom Boom) and David Plummer tour US schools for Childcraft, as well as at NAEYC and National Head Start.

2003. Honored at National Head Start convention for support of Head Start and children and families in need.

2003. Receives Pennsylvania Governor's Award for Environmental Excellence.

2004. Independent survey in the early childhood education market ranks Childcraft #1 most recognized name in early childhood in the US.

2009. Childcraft moves to School Specialty headquarters in Greenville, WI to integrate with broader educational experts and resources.

2017. Childcraft receives Operational Excellence & Quality Award.

2021. 75th anniversary. And still dedicated to helping shape a successful future for Early Learners.

A partner every step of the way

Projects by Design® is our unique service from collaborative no-cost design through installation and beyond.

Using our exclusive 6-Essential Design Elements® process, our team of in-house designers and learning environment specialists can work with you to create comprehensive ecosystems that equip and inspire every student, from infant to Grade 12. We can provide training on the latest educational trends and methods too.

We can be your single source for products, design, and project management resulting in one P.O. for your entire project. We've done this for thousands of school building projects over the past two decades. **And we'd love to do all that for you.**

These are the guiding principles we use to transform any space into a future-ready learning environment.

CHOICE

When kids can choose, they get engaged. Offer tables with variable heights, lots of soft seating, and a range of colors that inspire.

COMFORT

When students are comfortable and confident enough to explore and discover, they learn better. Create spaces with ergonomic furniture, maximum-efficiency lighting, optimal air quality and temperature, and watch them go.

VERSATILITY

One space can fit all. Learning spaces can, and should, adjust across modes and activities. Select furniture you can remix and rearrange to meet everyone's needs.

CONNECTION

Collaboration is the power that fuels social energy. Create spaces that encourage interaction between students, teachers, peers, and ideas.

STIMULATION

Engage the body and you engage the whole student. Active learning design doesn't just allow physical movement, it helps the mind swirl to attention, encouraging thinking, focus, and exploration.

TECHNOLOGY

It's everywhere... and that's where students need to be able to use it. Wire and equip rooms to allow for learning and charging everywhere.

Never run out of inspiration.

Professional development opportunities

LEARNING ENVIRONMENTS COURSES

• • • **DESIGNING INNOVATIVE LEARNING SPACES**

Item #2029111 – Full Day Face-to-Face Course: Helps teachers collaboratively investigate, research resources, and practice around creating and using student-centered learning spaces. Explore best practice and apply it to contexts. Prototype ideas for agile learning spaces and identify future plans.

• • • **CULTURE & CLIMATE IN THE STUDENT-CENTERED CLASSROOM**

Item #2029117 – Full Day Face-to-Face Course: Explores research and examples of best practice in classroom culture. Time and space is included to develop personalized strategies to try out in classrooms, working as a cohort to brainstorm, ideate, and provide feedback.

• • • **INCORPORATING AUTHENTIC STUDENT VOICE & CHOICE IN THE CLASSROOM**

Item #2029116 – Half Day Face-to-Face Course: Offers a variety of approaches that establishes a culture of student voice and choice, as well as strategies for managing those structures in the classroom.

• • • **BUILDING A CULTURE OF COLLABORATION**

Item #2029114 – Half Day Virtual or Face-to-Face Course: Collaboration is at the top of the list of skills that 21st century employers look for. This workshop will provide teachers with an opportunity to do a deep dive into the competencies that are central to collaboration.

Item #2029115 – Full Day Virtual or Face-to-Face Course: Teachers will also explore ways to build collaboration, and engage in a design challenge to outline how they will build structures for collaboration in their own classrooms.

• • • **INSTRUCTIONAL STRATEGIES FOR INNOVATIVE LEARNING**

Item #2029113 – Online Course: Innovative learning spaces require innovative instructional strategies, and vice versa. Experience a variety of instructional delivery methods that support student-centered learning and build 21st century skills.

To help you stay current with ever-evolving techniques and teaching styles, we offer an extensive range of Learning Environments courses and Early Childhood webinars.

Our professional development is developed and taught by former educators, administrators, and education researchers, all as passionate as they are expert.

EARLY EDUCATION COURSES

• • • **STUDENT-CENTERED LEARNING ENVIRONMENTS**

In this session, participants will understand basic research-based guidelines for setting up a developmentally appropriate early childhood classroom environment which will allow children to feel safe, gain independence, and engage with people and materials to foster learning.

• • • **TRANSITIONS THAT TEACH**

Learn about the importance of transitions in the early childhood classroom and how to make the most of transition time. We will address key elements for making transitions more successful. Many ideas for teaching early childhood skills via transitions will be provided and participants will leave with some helpful tools to use during transition time in their classroom.

• • • **BEYOND THE PLAYGROUND: CREATING OUTDOOR LEARNING OPPORTUNITIES**

Over the past few decades, children's experience in outdoor settings has greatly decreased. Children can benefit from increased time in outdoor learning environments, developmentally and emotionally. We will begin to develop a nature mindset as we look at the factors that have decreased children's time outdoors. Additionally, we will explore principles of outdoor learning environments and provide strategies on how educators can increase opportunities for children outside.

• • • **CREATING A CARING COMMUNITY OF LEARNERS**

A pillar of developmentally appropriate practice is to create a caring community of learners, and it is more important than ever. This presentation will discuss why it is necessary and will analyze how it is possible under any circumstances.

• • • **ESTABLISHING A SUPPORTIVE CLASSROOM CLIMATE**

This session will help participants gain awareness and develop strategies to create an environment that reflects warm, caring, and responsive relationships. This in turn will allow children to develop respect, self-regulation, accountability, and conflict resolution skills that can be useful for the rest of their lives.

• • • **BLOCK PLAY: STACKED WITH STEAM**

One source described blocks as “the tool you can’t teach without.” Join this session to uncover the truth behind that statement. We will discuss the definition of a block, types of blocks, appropriate set-up of the block area, the stages of block play, the STEAM opportunities for children and the teacher's role in block play. You will gain a deeper understanding of what STEAM skills children learn through block play and how you can best support them in that learning.

LIMITED LIFETIME WARRANTY

BIRD-IN-HAND WOODWORKS LIMITED LIFETIME WARRANTY

What Does This Warranty Cover?

This limited lifetime warranty covers manufacturer defects for Bird-In-Hand, Childcraft®, or Childcraft® ABC® Furnishings furniture product's materials or workmanship.

What Does this Warranty Not Cover?

This warranty does not cover damage, or product failure, from: normal wear and tear, misuse, negligence, acts of God, abuse, accidents, vandalism, freight damage, failure to follow instructions, improper installation, failure to perform routine inspection or required maintenance service, transport from one site or location to another, alteration to the product not expressly authorized by School Specialty®, or from any causes having an origin other than in the material or manufacture of the product. Also, consequential and incidental damages are not recoverable under this warranty.

Some states do not allow the exclusion or limitation of incidental or consequential damages, so this limitation or exclusion may not apply to you.

Some natural variations do occur in all hardwood products, are inherent to their character, and are not considered defects. The matching of colors, grains, or textures of these materials is not covered under this warranty. Outdoor use of any of the products voids this warranty.

What is Period of Coverage?

The period of coverage is for as long as the original purchaser owns the product. Warranty coverage terminates if product is sold or is otherwise transferred to another person.

PRODUCT, MATERIAL, OR MECHANISM	PERIOD OF COVERAGE FROM DATE OF PURCHASE
Hardware and fasteners	2 Years
Casters	2 Years

Are Accessory Products Excluded?

Accessory products manufactured by suppliers other than Bird-In-Hand, Childcraft, or Childcraft ABC Furnishings, and may be incorporated into the furniture products covered under this warranty are excluded from this warranty. Examples of these excluded accessory products are plastic trays, plastic bins, plastic totes, baskets, fabric curtains and canopies, cushions, and fabric totes.

What Abilitations Products are Included?

All Abilitations® furniture products purchased from School Specialty on or after January 1st, 2014.

What Bird-In-Hand, Childcraft, or Childcraft ABC Furnishings Products are Included?

All Bird-In-Hand, Childcraft, or Childcraft ABC Furnishings furniture products purchased from School Specialty on or after January 1st, 2014.

What Will School Specialty Do to Correct Problems?

If the product's materials or workmanship is deemed defective by School Specialty, School Specialty will, at its sole discretion, do one of the following:

- Replace with the exact item or similar item if original item is no longer available.
- Repair on site or at School Specialty's manufacturing facility.
- Refund the product's original purchase price.

If deemed replaceable, School Specialty may require defective product to be returned. Shipping instructions will be provided.

What Will School Specialty Not Do?

If School Specialty takes action to correct a defect, School Specialty will not renew or extend this warranty to a repaired or replaced product. School Specialty will not honor the attempted transfer of this warranty.

How Do You Get Service?

Products believed to be defective must be reported to School Specialty promptly. You should contact your School Specialty representative. If your School Specialty representative is unavailable or unable to provide service you should:

Call 1-888-388-3224 or send a letter to:
School Specialty, LLC.
