

# Snoezelen® Rotating Rainfall Panels

Butterfly Panel

Labyrinth Panel

Flower Panel

Water Wheel

Visual and audible, the encased beads make a delightful rain sound as they fall. Bright colors and eye-catching when moved.

## FEATURES & BENEFITS

- Encourages motor skills and hand-eye coordination
- Visual and audible cause and effect
- Each panel has it's own unique sound and pattern
- Includes a wall-mountable wooden rotator so the panel can be spun
- Easily detaches from the wall if required for table top/lap use
- For indoor use only
