

# Snoezelen® Interactive Star Carpet

Walking, crawling, or pushing on this interactive carpet creates a stunning light pattern of wonderful slow-changing colors.

## FEATURES & BENEFITS

- When pressure is applied to the mat the lights illuminate into a star shape
- Reinforces cause-and-effect actions and provides visual and tactile stimulation
- Includes light source
- Sensory Magic® compatible

## PRODUCT RECOMMENDATIONS

- When choosing the best place to position the carpet consider the following:
  - o Do not place the carpet in a doorway or any area where heavy wear is likely
  - o Position the light source out of reach of clients
  - o Keep away from excessive heat sources
  - o Avoid heavy carpet cleaners and vacuums
